Hi Randy, I found something that I can use for Texas International Box, but nothing for Texas Industrial Box. If you cannot provide a manifest, then I will have to drop them from the list of parties that will soon get a General Notice letter or a Special Notice letter. Sorry to keep bugging you about this.

Randy, could you please pdf me a copy of a hazardous waste manifest showing the H code for Texas Industrial Box and Texas International Box?

Cindy:

Can you send me an updated list of parties you have sent the General Notice letters to. I'm receiving calls and what to match up who was sent the letter and who has responded.

I'm back in Texas.

Regards,  
Randy
